I am a Mentor of Change appointed under Atal Innovation Mission, NITI Aayog. As a mentor of change, I work with young generation (school children and young adults) to help them develop design mindset, foster curiosity, creativity, get them ready with entrepreneurial skills and thus contribute to Government of India's vision about New India.

Currently mentoring a fintech firm at an advanced stage, few other early stage entrepreneurs under Pune University, Symbiosis and Mahindra United World College, Pune.

Core Banking Transformation and Implementation Consultant. Expertise in Digital and User Experience based solution designs.

Proven expertise in delivering large, complex core banking transformations across geographies. Have managed multi-country large clients across Europe, Pan Africa, South Americas, Taiwan and Hong Kong, New Zealand, India and other geographies. I am also responsible for revenue growth by billable engagements and through cross sales, up sales etc.

My key contribution areas include

- Work as a Business face to an engagement
- Engage with 'C' level leaders and Business Heads in various banks.
- Help design digital transformation strategies and core banking transformations
- Design solutions, processes which align to bank's overall goals
- Manage value delivery and showcase ROI for the IT investment made by the client

- Deal with multi country, multi culture complexities
- Assist in pre-sales, sales as a domain expert
- Participate in various internal and external forums as a Banking SME
- Review RFI, RFP responses including solution fitment and pricing proposals

I am also managing organization wide change as

- a certified coach for design thinking
- design human centered solutions and offerings
- train internal and client teams on design thinking approaches
- SAFe Certified Agilist
